The Driver's Daily Oath™

In Chapter 1, we learned about The Driver's Daily Oath™. Saying the oath helps you realize your potential and possibilities in your life.

Reread through the statements below. Pick at least four statements that feel uncomfortable to say, think, feel or believe. These are the ones that will empower you the most. Continue saying them until you believe the statements. Then pick a few more.

I AM AWARE that I am special.

I AM AWARE that I deserve good in my life.

I AM AWARE there is a power greater than me that has given me unlimited potential.

I AM AWARE that I possess that unlimited potential.

I AM AWARE that I can tap into that potential whenever it is needed.

I AM AWARE that I was born with an inner compass or guidance system.

I AM AWARE that I can plug into my Higher Power and ask for direction.

I AM AWARE that when I ask my Human Guidance System for directions, I have tapped into limitless potential—on demand.

I AM AWARE that my HGS maps out directions for me in a moment-to-moment basis, and guides me for my best and highest good, towards my goals, dreams, and aspirations.

I AM AWARE that my HGS is all knowing, all loving and all supportive.

I AM AWARE that my HGS goes before me and maps out my route.

I AM AWARE that I have the potential to change myself, my circumstances and open doors for my greatest good.

I AM AWARE that I have the power, the right, and potential to change my direction at any time.
